La Vida Loca Halloween Murder Mystery Dinner

Join us for the Second Edition of our comedy mystery dinner experience titled

To Wake the Dead by Lee Mueller

Renown Supernatural Mystery writer Fred Finnegan has died under unusual circumstances and all his friends have gathered at his wake. His friend and literary agent Lenord Elmore presides over the wake along with Fred's widow Joyce. Also in attendance are all of Fred's old friends and a faction of the 'Fredrick Finnegan Fan Club. The wake starts off in a traditional nature with good old Irish toasts and amusing stories about Freddie and his life, but the circumstances of Freddie's death keep coming into question. The one guest who would appreciate answers is Fred Finnegan himself. Problem is, only the nerd-ish Clyde Barker has the gift to "hear" dead people. Can Freddie use Clyde to find the answers he needs? Come and See...
