*We're making a big push over the next three months to reopen the National Balloon Museum in time for The Classic on July 31—and we could use your help!*

*We have four weekday volunteer days and two weekend volunteer days each month through June, with plenty of hands-on projects to tackle. Tasks may include hanging prints, setting up exhibits and displays, moving artifacts into place, unloading a storage pod, carrying items to basement storage, and more. A schedule of tasks will be shared in advance so you know what to expect.*

*If you're willing to lend a hand, please review the available dates and sign up using the button below. Every bit of help gets us closer to reopening our doors!*

*Thank you for supporting the museum and helping bring it back to life!*
